You can't control life, but you can help protect it with Insuranceline's Life Insurance

No one likes to contemplate that they will ever need it, but life insurance safeguards your family's future and the life you've worked hard to build if you're no longer around. It allows you to create a safety-net with a lump sum payment to your family that provides them with financial choices at a time of loss, terminal or major illness, or serious injury. The payout can help with things like covering the mortgage or other debts, compensating for loss of earnings or contributing to keeping the household running.

With Insuranceline Life Insurance, you can also choose from a range of Optional Severity Based Illness Covers to help protect yourself and your family from temporary setbacks. These covers provide a lump sum payment that draws down on your main Life Insurance benefit, to assist with medical and out-of-pocket expenses while you're recovering from certain illnesses or injuries. Later, your family can access your remaining Life Insurance benefit in the event of your passing. It can help you in life, and your family in death. See examples on page 7.

Flexible choices

Insuranceline Life Insurance caters for your needs as circumstances change throughout your life. You can use the Life Events feature to increase your Cover amount along with the changing needs of your family, like taking out a new mortgage, or having a baby – and we won't ask you a whole lot of questions about your health and lifestyle (see page 10 for full details). You can apply to add Optional Severity Based Illness Covers to your Policy at any time up to age 55 and you have flexibility to nominate the frequency and payment day of your premium. It's life insurance your way.

Value for money

Life Insurance can be a simple, cost-effective way to help your family manage the financial impacts of your passing. For the cost of the premiums each year, they'll have access to a lump sum cash payout to help keep their lives on track when you're no longer around – peace of mind and value for money.

There are no hidden fees and charges with your Insuranceline Life Insurance Policy. You'll know exactly what you're paying for. You can get discounts for higher levels of Cover, and get a family discount when adding a partner to your Policy (maximum two people per Policy).

Straightforward claims

To many, the claims process seems lengthy and complex. At Insuranceline, a claims consultant is assigned to each claim to provide support for every step of the claim – which includes help with completing the paperwork and following up on documentation, right through to assessment and processing of the claim. We keep in touch throughout the process with the progress of the claim.

When a Life Cover claim is approved, we can provide an advance payout of up to \$10,000, with the balance of the Benefit Amount payable once we have received all of the required paperwork. The advance payout can help your family with any immediate costs, such as the expense of legal fees involved with settling the estate.

Choice of Optional Severity Based Illness Cover

Optional Cover, such as Major Illness Cover and Cancer Cover (of a specified criteria), allows you to access part of your Life Insurance when you need it most. It can assist with the cost of treatment and recovery from a list of major medical conditions. With constantly improving medical treatments and techniques, your chances of surviving a major illness or injury are better than ever. But these treatments are often costly and can be ongoing for months or even years. These optional covers help ensure you and your family are taken care of financially so you can focus on your recovery.

See two examples on the following page of how Major Illness Cover and Cancer Cover work. These are only two examples of the way the Optional Severity Based Illness Covers work, and are distinct and unrelated to each other.

3 Life Cover

Life Cover

A lump sum benefit is payable in the event of the death of a Life Insured, or their diagnosis with a Terminal Illness.

Upon approval of a death claim, an advance payment of up to \$10,000 can be made available to assist with the immediate legal and other expenses that are likely to arise, with the balance of the Benefit Amount payable once we have received all of the required paperwork.

All Australian Residents aged 18 – 65 are eligible to apply. A Benefit Amount of up to \$1.5 million is available per Life Insured.

Life events feature

With this feature you can increase your Life Cover Benefit Amount without any evidence of your health or pastimes following a Significant Life Changing Event, such as having a baby or taking out a new mortgage (see page 41 for full list of events). This feature can be exercised once every 12 months and the amount of each increase is up to the lesser of \$100,000 or 20% of the Life Cover Benefit Amount when you apply for this feature. Total increases under the Life Events feature cannot exceed 100% of your original Life Cover Benefit Amount.

Applications must be made within 90 days of a Significant Life Changing Event occurring and before the Life Insured's 60th birthday.

The Life Events feature is not available:

- if you have a Policy with a special term; or
- if you have made a claim or are eligible to make a claim on this Policy or any other Policy issued by us.

When is a benefit not payable

A Life Cover benefit is not payable in the event of intentional self-injury or suicide within 13 months of:

- the Cover Commencement Date; or
- the date of any Benefit Amount increase applied by you, but only in respect to that increase.

Overseas travel

No payments will be made under Insuranceline Life Insurance if the event giving rise to the claim occurs while you are visiting a country for which the Australian Department of Foreign Affairs and Trade (DFAT) issued a 'Do Not Travel' warning advice prior to your travel to that country, and which continues to be in force during the time of your stay in that country.

Special terms

We will also not pay a Life Cover benefit where we have agreed with you a special term in respect of your Cover that specifically excludes the event or condition causing or contributing to the claim. Any such special term will be agreed with you before your Policy is issued and will appear on your Policy Schedule.

4 Optional Severity Based Illness Cover

Once you have provided a safeguard for your family with Life Cover, protect them further by adding Optional Illness Cover. The total value of the Optional Severity Based Illness Cover cannot exceed the Life Insurance Benefit Amount or \$250,000, whichever is lower, for each Life Insured. The benefit payable for Minor Heart Attack is a fixed one-off amount of \$10,000.

The Optional Illness Cover benefit will be paid as a lump sum upon the diagnosis of an Insured Condition covered by the Policy or on the Life Insured undergoing one of the medical procedures covered by the Policy. The definition of the Insured Condition or medical procedure must be met for an Optional Severity Based Illness Cover benefit to be payable. Evidence of the Insured Condition or medical procedure must be provided by a Medical Practitioner. See pages 14 - 21 for the Insured Conditions and procedures covered by each of the Cover options, their definitions and any exclusions that apply.

There are two options. All Australian residents aged 18 to 55 are eligible to apply for Optional Severity Based Illness Cover.

Major Illness Cover

Major Illness Cover is designed to help protect you and your family from a major setback due to specified critical illness or injury.

Cancer Cover

Cancer Cover is designed to help protect you and your family from a major setback due to life-threatening Cancer (of a specified criteria).

When is an Optional Severity Based Illness Cover benefit not payable?

The Optional Severity Based Illness Cover benefit is not payable in any of the following circumstances:

- An Accidental Injury which occurred prior to the Cover Commencement Date.
- Any intentionally self-inflicted act (including attempted suicide).
- The Life Insured's participation in any criminal or unlawful activity.

- No benefit will be payable if the event giving rise to the claim occurs while the Life Insured is visiting a country for which the Australian Department of Foreign Affairs and Trade (DFAT) issued a 'Do Not Travel' warning advice prior to your travel to that country, and which continues to be in force during the time of the Life Insured's stay in that country.
- War, hostilities or war-like operations (whether war is declared or not), civil commotion, civil war or rebellion, but not terrorism, outside of Australia or New Zealand.
- Any Cancer, Heart Attack, Minor Heart Attack, Stroke or Coronary Artery Bypass Surgery arising during the 90 days following the Cover Commencement Date.

See pages 14 - 21 for other exclusions to specific Insured Conditions.

We will not pay any benefits where we have agreed with you a special term in respect of your Cover that specifically excludes the event or condition leading to the claim. Any such special term will be agreed with you before your Policy is issued and will appear in your Policy Schedule.

How Optional Severity Based Illness Cover works

The Optional Severity Based Illness Cover is attached to your Life Cover and any payment under the Optional Illness Cover will reduce your Life Cover benefit by the amount of the payment.

For example, if you had:

- \$500,000 of Life Cover; and
- \$100,000 of Major Illness Cover;

then in the event you suffered an Illness as defined in the Policy and we paid you \$100,000, your Life Cover benefit would reduce by \$100,000 to \$400,000.

The benefit payable for Minor Heart Attack is a fixed one-off amount of \$10,000.

Optional Severity Based Illness Cover – Insured Conditions

In order for a benefit to be paid, the Insured condition must meet the full criteria and severity requirements for that condition.

For many Insured Conditions, this means the condition will be required to progress beyond a diagnosis.

Diagnosis means the process of a Medical Practitioner or specialist Medical Practitioner determining which Sickness or Injury explains an individual's symptoms.

Severity means the seriousness of an Insured Condition in order for a benefit to be paid.

About the application

When you apply for life insurance, we conduct a process called underwriting. It's how we decide whether we can cover you, and if so on what terms and for what premium.

We will ask questions we need to know the answers to. These will be about your personal circumstances, such as your health and medical history, occupation, income, lifestyle, pastimes, and current and past insurance. The information you give us in response to our questions is vital to our decision.

If your application is accepted, the Policy will be a consumer insurance contract.

The duty to take reasonable care

When applying for insurance, there is a legal duty to take reasonable care not to make a misrepresentation to the insurer before the contract of insurance is entered into.

A misrepresentation is a false answer, an answer that is only partially true, or an answer which does not fairly reflect the truth.

This duty also applies when extending or making changes to existing insurance, and reinstating insurance.

If the duty is not met

If the duty is not met, this can have serious impacts on your Policy. Your Policy could be avoided (treated as if it never existed), or its terms may be changed. This may also result in a claim being declined or a benefit being reduced.

Please note that there may be circumstances where we later investigate whether the information given to us was true. For example, we may do this when a claim is made.

What can we do if the duty is not met?

If you do not take reasonable care not to make a misrepresentation, there are different remedies that may be available to us. These are set out in the Insurance Contracts Act 1984 (Cth). These are intended to put us in the position we would have been in if the duty had been met.

For example we may:

- avoid the Policy (treat it as if it never existed);
- vary the Benefit Amount; or
- vary the terms of the Policy.

Whether we can exercise one of these remedies depends on a number of factors, including:

- whether you took reasonable care not to make a misrepresentation. This depends on all of the relevant circumstances.
- what we would have done if the duty had been met – for example, whether we would have offered you a Policy, and if so, on what terms
- whether the misrepresentation was fraudulent; and
- in some cases, how long it has been since the cover commencement date.

Before we exercise any of these remedies, we will explain our reasons, how to respond and provide further information, and what you can do if you disagree.

Risks

There are risks involved with taking out Insuranceline Life Insurance that you should be aware of. These include the following:

- It may not be suitable for your needs or you may not select the right type of Cover or level of Cover for your needs.
- It is possible to pay more in premiums than the amount you are covered for.
- If you are replacing another insurance contract, you may lose valuable benefits so you should consider the terms and conditions of each insurance contract before deciding to make the change.
- Our policies do not contain a savings or investment component, which means that if you cancel your Policy after the 30 day cooling off period, you will not receive any money back.

You should consider if the Policy meets your needs both now and in the future. You may need to seek assistance from a financial adviser to assist you to determine if the terms are consistent with your objectives, financial situation and needs.

Important information cont.

When does Cover start and end?

In many cases you can be covered in a few minutes with Insuranceline. The Cover Commencement Date will be listed in the Policy Schedule that will be sent to you. The Policy Schedule is your evidence of the insurance contract and sets out the benefits and options you have selected and have been accepted for.

Cover ends on the earlier of:

- the Cover Expiry Date specified in the Policy Schedule;
- the date the Cover is cancelled by you or us;
- the date Cover lapses due to the premium not being paid by the due date;
- the full payment of the Benefit Amount being made by us; or
- the Policy Anniversary following the Life Insured's 99th birthday for Life Cover; and
- the Policy Anniversary following the Life Insured's 65th birthday for Major Illness Cover and Cancer Cover.

Guaranteed continuation of Cover

We guarantee to continue your Policy (provided you pay your premiums when due) until the Cover Expiry Date.

Cooling off period

You have 30 days following the receipt of your Policy to check that your Insuranceline Life Insurance Policy is right for you. If you're not satisfied with your Policy, you can cancel the Policy by sending a written cancellation request to us and we will refund any premiums you have paid. This is called the cooling off period.

Alterations and variations

You can request that we make changes to your Policy after it has commenced. We may require you to make this request in writing and to provide more information. Any changes to your Cover are subject to our sole discretion and agreement. Please contact us to understand the possible alterations that may be made to your Policy.

Inflation Protection

Unless otherwise requested, Benefit Amounts increase each year up to the Policy Anniversary after age 70 in line with changes in the Consumer Price Index (CPI) as last published by the Australian Bureau of Statistics or its successors in respect of the 12 month period ending 30 September in each year or by 5%, whichever is greater. Premiums will also increase accordingly.

If the CPI is not published, we will select another similar indicator of inflation.

Where the indexation factor is negative, we will not apply a change to your level of Cover.

The maximum Benefit Amount that can result after Inflation Protection is \$2,500,000.

Increasing your Benefit Amount

You can apply to increase your Benefit Amount or to add additional benefits at any time up to age 65 for Life Insurance Cover and 55 for Optional Severity Based Illness Covers. Your application will be subject to assessment (unless you are applying for increase under the Life Events feature). Any Cover you already have in place will be unaffected by future applications for increases.

Premiums

This product is designed to provide insurance Cover only and does not acquire any cash value. You will not get anything back if you cancel your Policy at any time other than during the cooling off period.

What are the costs?

The cost of your Policy depends on a range of factors, including but not limited to the type of Cover, your age and gender, whether or not you smoke, the length of time you have had your Policy and how often you choose to pay your premiums. We may also take your occupation, health, income, personal pastimes, lifestyle and other factors into account in determining insurance premium amounts.

We ask for this information so that the premiums we charge take into account the different levels of risk presented by different customer groups.

Important information cont.

Sometimes discounts may apply to certain policies; however, these may not apply for the full term of your Policy.

Once we know a little bit about you and the Cover you require, we can provide you with an indicative quote for your premium. The quoted premium may change once we have all the information we require to complete our assessment of an application for Cover.

All premiums are payable in advance, by the due date shown in your Policy Schedule. We will inform you of the premium payable in subsequent years before each Policy Anniversary.

Payment of premiums

Premiums can be paid fortnightly, monthly or annually. If you pay your premiums annually you'll get a discount – you'll pay 11 months' premiums instead of 12. If two lives are insured on the same Policy, the youngest Life Insured will get a 5% discount.

When premiums are due

Premiums must be paid by the due date. If you stop paying your premiums for any reason, your Cover will be cancelled.

Unpaid premium and premium dishonours

If you don't pay the premium when due, or the premium deduction from your account can't be made, then:

- if the unpaid premium is the first premium, the Policy will not operate at all.
- if the unpaid premium is a premium other than the first premium, we will allow 30 days from the due date to make this payment. If we have not received payment by this time, we will send you a notice telling you that we will cancel your Policy if the premium then due is not paid by the date shown in the notice. This date will be at least 28 days from the date of the giving of this notice. If you do not pay the premium by that date we will cancel the Policy.
- if any Benefit under the Policy becomes payable, any unpaid premium due to us will be deducted from the Benefit paid to you. No Benefit will be paid for insured events occurring after this Policy is cancelled.

If your Policy is cancelled due to non-payment of premiums, you may contact us if you wish us to consider issuing you with a new Policy. Any new Policy will be subject to the terms and conditions then applying. Your application for a new Policy will be subject to acceptance by us.

Changes to your premiums

Premium rates are not guaranteed. Your premium will change when any of the following events occur:

- your premium will increase each year in accordance with your age and any increase to your benefits, such as Inflation Protection increases in Cover amounts;
- if you make any changes to your Policy;
- if your Benefit Amount is increased or decreased;
- if you add or remove a Cover or option;
- a discount no longer applies or changes because you make changes to your Policy;
- if there are changes in government duty or taxes and we choose to pass on these additional costs. If this happens, we will give you 30 days' written notice; or
- we choose to increase the underlying premium rates on our Insuranceline Life Insurance portfolio. Please see below.

We can change our premium rates

The cost of your Cover is not guaranteed to remain the same each year. We can change the premium rates we use to determine your premium.

Decisions to change premium rates do not occur because of changes to an individual customer's own circumstances, but rather are determined in relation to the group of customers that we insure.

We will act reasonably when making decisions to change our premium rates and will only make changes to the extent reasonably necessary to protect our legitimate business interests.

Our premiums are determined so that the total premium for our group of insured customers is sufficient to cover our expected future claims costs, meeting our associated costs of doing business and margins in providing Cover to you.

We review associated factors on an ongoing basis which may include, but are by no means limited to, our assessment of regulatory or legislative requirements, our operating costs or the commercial environment. These are only some examples of factors that we may consider, and others may apply. The outcome of any premium review performed by us may result in a change to the premium rates we charge you. If we change the premium rates, you will be advised of the change to your premiums at least 30 days before the change takes effect.

If your premiums increase, you will always have the option to reduce the premium by reducing your Cover, subject to any minimum premiums or sum insured applicable to your Policy.

6 Claims and benefit payment

You will also always have the right to cancel your Cover, at any time and for any reason, including a premium increase. There may be other options available to help you manage the cost of your Cover. Please call us for assistance. There are no cancellation fees or penalties for cancelling your Policy.

Your Policy cannot be singled out for a change in how a premium is charged because of an adverse change in the health or circumstances of the Life Insured after the Policy Commencement Date.

Taxation

Generally, the premiums you pay will not be tax deductible. This taxation information is based on the continuation of present laws and their current interpretation and is a general statement only. For advice regarding taxation please contact your registered accountant or the Australian Taxation Office.

Statutory fund

The assets of TAL Life Limited's Statutory Fund Number 1 will be liable for the payment of the benefits under this Policy. You have no rights in the assets of TAL or any TAL statutory fund.

Government duties

We reserve the right to pass on to you any Government duties, taxes or other charges that are or become payable by us or by you in respect of this Policy.

Life Insurance Code of Practice

We have adopted the Life Insurance Code of Practice (the Code) which sets out the life insurance industry's key commitments and obligations to customers on standards of practice, disclosure and principles of conduct for their life insurance services, such as being open, fair and honest. It also sets out timeframes for life insurers to respond to claims, complaints and requests for information from customers. The Code covers many aspects of a customer's relationship with their life insurer, from buying life insurance to making a claim, to providing options to those experiencing financial hardship or requiring additional support. More information can be found at insuranceline.com.au/about-us/life-insurance-code-of-practice.

How to make a claim

Step 1

If you or your legal representative need to make a claim, please contact us on **1300 880 750** as soon as you can. We strongly encourage you to contact us at the earliest possible opportunity. A delay in notifying us may mean it could take longer for us to process your claim, as it may be difficult for us to access the information we need to finalise our decision. You or your legal representative will need to provide us with claim details and our claims staff will provide you with a list of all requirements needed to assess your claim. We will help you understand the claims process, what to expect for the assessment of your claim and to make the claim as easy as possible for you.

Step 2

You or your legal representative will need to collate all the relevant information and return it to us. Depending on the claim, we'll let you know if any additional requirements (including relevant health records) are needed once the initial information is reviewed.

Information we will need

You or your legal representative must provide us, at your own expense, with any completed claim forms, information or certified copies of documentation supporting the claim that we reasonably require. We will contact you or your legal representative within a reasonable time from the date you submit your claim and inform you of any additional information and/or documentation that we require in order to assess your claim. We require the following for all claims:

- certified copy of proof of age of the Life Insured;
- certified copy of identification document of the Policy Owner; and
- completed initial claim form.

Claims and benefit payment cont.

Authority to obtain information

To obtain all relevant evidence and records to assess your claim and our liability under your Policy, we can request that you or your legal representative provide us with relevant medical, financial, employment and other records about you. We can also request that you or your legal representative provide consent or grant us authority to obtain access to such records.

This includes both information and records which are relevant to determining whether you complied with your duty to take reasonable care not to make a misrepresentation when you applied for, reinstated or modified your Policy, and information and records that are relevant to your claim.

For example, we may require information and records from Medical Practitioners who have treated you in relation to a condition giving rise or contributing to your claim, and historical medical records which are relevant to determining whether you complied with your duty to take reasonable care not to make a misrepresentation when you applied for, reinstated or modified your Policy.

If you do not provide the relevant records or you do not provide consent or authority for us to obtain the relevant records, we may not be able to provide you with a Policy or assess our liability under your Policy (in which case we may not pay a claim).

For Optional Severity Based Illness Cover claims, we will require proof of the Illness for which a claim is being made, supported by (but not limited to):

- evidence of the date and location of where the event leading to the Injury occurred (if applicable); and
- appropriate evidence from a Medical Practitioner, including confirmatory investigations such as clinical, radiological, histological and laboratory evidence.

Obsolete criteria due to medical advancement

If the method for diagnosing the specified medical condition has been superseded by a revised clinical protocol, and the appropriate Australian medical body has recognised this revised criteria for diagnostic practice, we will apply the revised clinical protocol subject to our verification that the specified medical condition is conclusively diagnosed and to at least the same severity.

Claim requirements at our expense

We reserve the right to obtain any additional information that we deem necessary. Should we request any further information in excess of the initial and progress claim requirements in order to assess your entitlement to a benefit, these requirements will be met at our expense.

Depending on the type of claim, you may be required to provide or participate in some or all the following:

- additional medical examination(s) which may involve imaging studies and clinical, histological and laboratory evidence to confirm the occurrence of the condition;
- confirmatory assessment and diagnosis of current functional and vocational capacity by a qualified Medical Practitioner or an appropriately qualified person selected by us, acting reasonably;
- access to details of the Life Insured's previous medical consultations; and
- interviews with various parties including you, in relation to your claim by a member of our staff or someone appointed by us, as often as is required.

Payment of claims

We will pay your claim once we have received all the claim requirements and established proof which we reasonably consider is acceptable to us of your entitlement to be paid a benefit under this Policy.

Who receives the benefit payment

In the event that a claim is paid, the payment will be made to the surviving Policy Owner of the Policy. Where there is no living Policy Owner, the benefit will be paid to the nominated beneficiary or beneficiaries, or the estate of the Policy Owner.

The Policy Owner can nominate to whom a benefit will be paid – these people are called the beneficiaries. Any nomination of a beneficiary or beneficiaries is binding on us once we receive it and send written confirmation of the nomination back to you. You can ask us to change or revoke a nomination at any time.

If a nomination is made, details of each beneficiary will be shown in the Policy Schedule. If a change or revocation is made in relation to a nomination, a new Policy Schedule will be issued as confirmation of the change or revocation.

Claims and benefit payment cont.

In the event a beneficiary dies before the Life Insured, the nomination of that beneficiary is no longer valid.

If there are other surviving beneficiaries, benefits will be paid to the remaining beneficiaries.

If there are no surviving beneficiaries, then the benefit will be paid to the Policy Owner's estate or legal personal representative or a person we are permitted to pay under the Life Insurance Act 1995.

Maximum benefit payable per Life Insured

If a Life Insured is covered under more than one Insuranceline or TAL life insurance policy, the maximum total benefit that can be paid under all term life policies issued by TAL is \$1,700,000 plus any increases due to Inflation Protection. The maximum total benefit that can be paid under multiple Basic Life Cover policies is \$250,000 plus any increases due to Inflation Protection.

Fraudulent claims

We will refer any suspected fraudulent claims or illegal activity to the relevant law enforcement authorities and will, to the extent permissible by law, seek to recover any monies paid, expenses or damages incurred in obtaining such evidence as may be required to protect our rights. We are able to cancel your Policy and no claim will be payable if you make a fraudulent claim.

Misstatement of age

If the age of a Life Insured has been understated in the application for a Policy then the Benefit Amount payable in respect of that Life Insured will be calculated on the basis of the Benefit Amount that the premium would have purchased if it had been calculated on the correct age. If the age of the Life Insured has been overstated we will refund any excess premium paid.

When we will not pay a claim

We are not liable to pay a claim or may reduce a benefit arising from or in any way connected with anything we have specifically excluded or adjusted in the Policy Schedule.

For the avoidance of doubt, we will also not pay a claim:

- where your claim does not meet the relevant Policy terms and conditions for a benefit to be paid;
- where the Life Insured did not take reasonable care not to make a misrepresentation when they applied for the Policy, and we apply a remedy available under the Insurance Contracts Act;
- where you, your beneficiary or your legal representative have not provided us with all the information we have reasonably requested to assess your claim;
- where there is insufficient evidence to support your claim; and
- where we do not receive any authority that we require to obtain the information, records and evidence we reasonably require to assess your claim and compliance with the Life Insured's duty to take reasonable care not to make a misrepresentation.

9 Insuranceline direct debit service agreement

This Agreement is issued by TAL Life Limited. It sets out the conditions for using direct debit to pay your insurance premiums. Please keep this Agreement in a safe place for future reference.

How direct debit works

On the day your premiums are due, we send a request to your financial institution to debit the payment from your nominated account.

It usually takes between one to three days for the funds to be deducted — so make sure you keep enough money in your account during this time. If there are insufficient funds in your account to cover your premium payment, your bank may charge you a dishonour fee, and your insurance Cover may lapse.

Insuranceline does not charge a dishonour fee for missed payments, but we may cancel your Cover if your premiums remain unpaid.

When we deduct your payments

Usually we'll deduct your payment on the day it is due. Here are the exceptions:

- Weekends — we'll deduct your payment the next business day, usually Monday.
- National public holidays (Christmas Day, Boxing Day, New Year's Day, Australia Day, Easter Friday, Easter Monday, and Anzac Day) — we'll deduct your payment the next business day. For public holidays that do not apply in all States, we'll deduct your payment the day it's due.

Our promise to you

We promise to:

- Give you at least 14 days' written notice of changes to this Agreement.
- Keep your nominated account information confidential, except where conducting direct debits with your financial institution, or otherwise as required by law.

Your commitment to us

You agree that:

- You've given us the correct account details (please check a recent account statement to confirm).
- The account you've nominated allows direct debit payments.
- All account holders are party to this Agreement.
- Sufficient funds will be available on the due dates to cover your direct debit payments.

How to make changes

To make a change to your direct debit arrangement, please contact us on **1300 880 750**. Our Customer Care Team can help you with:

- Changing your nominated account details.
- Delaying, stopping or suspending any debits.
- Cancelling the Agreement completely.

We'll need **at least two business days' notice** before your next payment for these changes to take effect.

If you delay, suspend, stop or cancel your direct debit payment, you'll need to make alternative payment arrangements to ensure your insurance Cover can continue.

This Service Agreement is administered by Insuranceline on behalf of TAL Life Limited.

Who are our representatives?

A number of representatives have been appointed by TAL Direct to provide a financial service over the telephone and via webchat. These people have received specialist training to discuss the products we offer. They are only authorised to provide general advice. TAL Direct is responsible for any financial service provided by a representative over the telephone or via web chat.

What does general advice mean?

It is important that you understand that we will not provide personal advice or make recommendations about the suitability of the product for you. Any advice provided will not take into account your financial situation, needs or objectives. Therefore, before you decide to buy a product arranged by us, or keep a similar product you already hold, it is important that you consider the appropriateness of the advice having regard

to those matters and read the relevant Product Disclosure Statement to make sure that the product is appropriate for you.

The PDS sets out the important information you should consider when deciding to acquire a certain product, including the insurer and the benefits, features and associated costs of the product. You can read the PDS prior to receiving a call from our representative or if you like, you can ask our representative to read it to you.

Who we act for

When our representatives provide financial product advice, arrange for the insurer to issue policies or renew policies, they are acting for TAL Direct.

TAL Direct is also authorised to issue and administer policies, until 8 December 2021, to pay claims on behalf of certain insurers under an arrangement called a “binder”. From 9 December 2021, TAL Direct will cease to pay claims on behalf of these insurers. For life cover the insurer is TAL Life. If your policy includes Involuntary Unemployment Cover the insurer is Hallmark General Insurance Company Ltd ABN 82 008 477 647 AFSL 243478 (Hallmark General Insurance). When TAL Direct does this we will tell you and, in these circumstances, TAL Direct is acting for the insurer. TAL Direct will not issue or arrange for the issue of a life risk or general insurance product for any insurer or issuer other than the above mentioned insurers or trustee.

The registered address for the insurer and trustee are:

Disclosure of remuneration

When insurance is arranged for you, you will be required to pay a premium and this will be paid to the insurer of the product. The premium includes any commission payable by the insurer for distributing the product so you do not need to pay any extra.

Where Involuntary Unemployment Cover has been arranged for you, Hallmark General Insurance will pay a commission to TAL of up to 35% of the Involuntary Unemployment component of each premium paid. Currently GST of 10% is applied to amounts paid to TAL.

Where a representative arranges a Policy for you over the telephone, that representative may in addition to their salary receive a commission from TAL. The amount of commission is dependent on a number of factors including the number of policies issued and the quality of the representative's conduct.

You are entitled to request details of this remuneration, and may do so by contacting us on the number specified in this FSG. This request may be made after you receive the FSG and before any financial service is provided to you. There may be circumstances where additional commissions, bonuses and non-cash incentives are paid to representatives and these

will accrue from time to time. These are not an additional cost to you. TAL may also pay referral fees or commissions to people or organisations that refer new customers to us. The referral fee may be paid in the form of an upfront commission fee and/or periodical trail fees. This will be at no additional cost to you. In addition to paying referral fees, TAL may from time to time give other non-cash benefits to referral partners.

Direct debit request summary

This summary describes how the Direct Debit Request system works. Upon issue of your policy, you will also receive a full copy of the Direct Debit Request Service Agreement. You should read the Agreement carefully as it explains your rights and obligations relating to your ongoing direct debits.

When you complete your bank details and sign the authority, you are authorising the direct debit of the appropriate premiums from your nominated account. Your authority will be kept confidential at all times. If your premium cannot be paid (for example there's not enough money in your nominated account) your bank may dishonour that payment, in which case your policy may lapse and all cover will cease.

If you have concerns about its operation or you subsequently need to change any aspects of the authority, please notify us. From time to time updates about our services which are subject to change and which are not materially adverse to you may be found on the Insuranceline website at www.insuranceline.com.au and if you request a paper copy of any updated information, this will be provided to you without charge.
