What is Funeral Insurance?

A funeral is a chance for friends and family to gather and say goodbye. Yet even the most modest funeral can cost over \$6,000*. Funeral insurance is simply designed to pay out a benefit to help cover funeral expenses in the event of your death. It can help to ensure your loved ones aren't out of pocket after you've gone.

It's important to make sure your loved ones get the financial assistance they need to cover your funeral costs and other expenses. Insuranceline is committed to providing flexible and affordable funeral insurance cover with Funeral Insurance Essentials. It's basic funeral cover without the bells and whistles whilst still providing the valuable protection offered by a funeral insurance policy.

Funeral Insurance Essentials offers:

Premiums that don't increase as you get older

The premium you pay when you first take out your Funeral Insurance Essentials policy will remain level and not increase each year just because you get older, unless changes are made to your policy or we increase premium rates for all policy holders. You can budget as you'll know how much you need to pay (please see page 27 for more information).

Cover up to \$15,000

You can choose a Cover Amount up to \$15,000, which Covers you for Accidental Death straight away, and then for all causes of death after 12 months.

Cover for Optional Extras

You have the option to add additional cover to your Policy for additional peace of mind. You are automatically Covered for Accidental Death straight away however you can increase this Cover by adding Extra Accidental Death Cover to your Policy. You can also choose to add Extra Accidental Injury Cover to give you added financial support for certain Accidental Injuries. See page 9 for more information on these Covers.

Choosing the right policy

Everyone's lifestyle and circumstances are different, and that's why Funeral Insurance Essentials is flexible with different payment options and extra benefits to choose from.

The cost of your Policy depends on your age, gender, whether you smoke and the amount of Cover you choose. Australian Residents from the ages 21 to 80 can take out Funeral Insurance Essentials.

All payments in connection with this Policy must be made in Australian currency.

Step 1. Choose the amount of Cover

We provide Cover for funeral expenses from \$2,000 up to \$15,000 – simply choose the amount that best suits you. You can also choose to include other people on your Policy.

Don't forget that if your circumstances change, you have the flexibility to adjust the Cover amount – just give us a call on 1300 880 750.

Step 2. Choose whether you'd like to add extra benefits to your Policy

What extra benefits can I choose?

Your Funeral Insurance Essentials Policy Covers you for Accidental Death straight away and any cause of death after 12 months. However, if you'd like even more protection, you can increase your Cover by adding extra benefits such as Extra Accidental Death Cover for a higher payout in the event of Accidental Death, and Extra Accidental Injury Cover for financial protection in the case of your serious or permanent injury. If you choose to add extra benefits to your Policy, these extra benefits will be in place (as long as your premiums are up to date) until the Policy Anniversary after you turn 89. Thereafter, your Funeral Insurance Essentials Policy continues for free but you are no longer eligible for these extra benefits (and won't be charged for them after that time).

+ Extra Accidental Death Cover

Your Funeral Insurance Essentials Policy already Covers you for Accidental Death the minute your application is accepted.

However, if you'd like to be Covered for even more, you can take out up to \$50,000 Extra Accidental Death Cover. We'll pay out the claim if the resulting death occurs within six months of the accident.

This option is available to Australian Residents aged 21 to 80 and you will continue to be Covered until the Policy Anniversary after you turn 89, as long as premiums are paid when they are due.

+ Extra Accidental Injury Cover

Extra Accidental Injury Cover gives you added financial support if you're out of action due to an Accidental Injury. You will receive fixed dollar payouts of up to \$50,000, depending on the type of injury. These include common Accidental Injuries such as broken bones, bed care confinement, burns and serious impairments such as paralysis and blindness that are the result of an accident. Your Registered Medical Practitioner will need to certify the nature of your injury and how it affects you.

Australian Residents aged 21 to 80 may be eligible for Extra Accidental Injury Cover. Once you are accepted, as long as you keep your premiums up to date, you will continue to be Covered until either the full Cover amount of \$50,000 has been paid out, until you chose to cancel this Cover, or until the Policy Anniversary after you turn 89 (whichever happens first).

Step 3. Choose whether to include others under your Policy

We never know what lies ahead for ourselves or our loved ones. Which is why your Policy allows you to hold Cover for others – adults under age 80 and children under age 21.

We know every customer has different needs which is why we have extra benefits that you can choose to add to your Policy. The diagram below shows you how you can add extra benefits or people to your Policy.

Funeral Insurance Essentials Policy	Accidental Death	Extra Accidental Death Cover	Extra Accidental Injury Cover
1 Adult only	Included	Optional Extra	Optional Extra
+ Add Adults on Policy	Included	Optional Extra	Optional Extra
+ Add Children on Policy	Included	Does not apply	Does not apply

Step 4. Choose your billing schedule and date

Not every household budget is the same, which is why we've also made it easier for you to budget Funeral Insurance Essentials into your lifestyle, with a choice of billing options.

We offer you the flexibility of paying by direct debit (fortnightly, monthly or annually) or by credit card (monthly).

The table below shows you some examples of weekly costs based on the Cover amount and extra benefits chosen.

How can I take out Funeral Insurance Essentials?

Funeral Insurance Essentials may be offered to Australian Residents aged 21 to 80. Just call 1300 880 750 between 8am and 8pm (AEST), Monday to Friday for more information.

Taking out Funeral Insurance Essentials is quick and easy, you can be accepted in just a few minutes. You're Covered on the spot for Accidental Death (other causes of death are not Covered in the first 12 months).

If I change my mind, am I entitled to a refund?

We offer a full 30 day money back guarantee (Cooling Off Period), giving you time to go over your Policy, and make sure it's the right one for you. There are no hidden catches – cancel your Policy within 30 days and you'll get a full refund.

If you cancel your Policy after 30 days, you won't receive your money back. Funeral Insurance Essentials works just like your car and home insurance – it's not a savings plan and has no cash value.

Worldwide Cover

Cover is available under this Policy 24 hours a day and is not restricted by the geographical location of either the Life Insured or the residence of any Life Insured.

All correspondence from us to you will be mailed to an Australian postal address, even if you are residing in a country other than Australia.

Duty of disclosure

When applying for insurance, or any increase in Cover, you are bound by law to the duty of disclosure which requires you to answer all of our questions honestly and completely. If you do not answer our questions honestly and completely, we may reduce or refuse to pay a claim or we may cancel all or part of the Policy. We will obtain the necessary medical records at the time of any claim to confirm that the statements you make are honest and complete. If they are not, your claim may not be paid and all or part of your Policy may be avoided from inception, which means we will treat all or part of your Policy as if it never existed.

How do my loved ones make a claim if they ever need to?

A Funeral Insurance Essentials Policy helps take the financial difficulty out of what can be a very stressful time. That's why, if your loved ones need to make a claim, we've kept the process as straightforward as possible:

Step 1.

Call us on 1300 880 750 and we will send a claim form or go to insuranceline.com.au to download one. The sooner a claim is made, the sooner your loved ones can receive financial assistance.

Step 2.

Either you or your representative must complete the relevant form and return it, together with any requested documents we need to validate the claim. Depending on the claim, we'll let them know what we need when they contact us. For example, we may request birth and death certificates or evidence from a Medical Practitioner.

Claims are paid once we've received the completed claims requirements. We will make sure we keep them informed throughout the process.

Who receives the claim payout?

You can nominate one or more Beneficiaries over the age of 18 to receive the claim payout if you were to pass away. If you do not nominate a Beneficiary, the claim will be paid to the Policy Owner or the Policy Owner's estate.

Misstatement of age

Proof of age must be provided using a birth certificate, passport or drivers licence. If the age of the Life Insured has been understated on the application for this Policy, then the Benefit payable in respect of a Life Insured will be recalculated based on the Benefit that the premium would have purchased if the correct age had been provided. If the age of the Life Insured has been overstated we will refund any excess premium paid. Where the terms and conditions of a Benefit vary by the age of the Life Insured or the Insured Child, the correct age of the Life Insured or the Insured Child, if applicable, will be used to determine whether a Benefit is payable.

Extra Accidental Death Claims

For Extra Accidental Death claims, we will require proof of the accidental nature of the death of the Life Insured for which the claim is being made, evidenced by a certified copy of the Death Certificate, Medical Attendant's Certificate or Coroner's report as required by us. We will require proof of the injury sustained by the Life Insured for which the claim is being made, evidenced by (and not limited to):

- (a) appropriate evidence from a Medical Practitioner, including confirmatory investigations such as clinical, radiological, histological and laboratory evidence, and
- (b) if the condition requires a surgical procedure to be performed, the procedure must be the usual treatment for the condition and be medically necessary.

Fraudulent claims

We will refer any suspected fraudulent claims or illegal activity to the relevant law enforcement authorities and will, to the extent permissible by law, seek to recover any monies paid, expenses or damages incurred in obtaining such evidence as may be required to protect our rights. We are able to cancel your Policy and no claim will be payable if you make a fraudulent claim.

With Insuranceline, there's no small print or nasty surprises. We encourage our customers to make sure they understand all aspects of their Funeral Insurance Essentials Policy, so here are a few things you need to know before you take out your Cover.

Funeral Insurance Essentials

Funeral Insurance Essentials provides for an amount to be payable on the death of the Life Insured.

If a Life Insured dies as a result of Accidental Death, on proof satisfactory to us whilst the Funeral Benefit is in force, we will pay the Funeral Benefit Amount in respect of that Life Insured.

If, within the Accidental Death Period, a Life Insured dies as a result of anything other than an Accidental Death, on proof satisfactory to us, the Benefit Amount will not be paid. We will however, pay an amount equal to all Funeral Benefit premiums paid to the date of death in respect of that Life Insured. The premium refund however, does not include premiums paid for Extra Accidental Death and Extra Accidental Injury.

If, after the Accidental Death Period, a Life Insured dies for any reason, on proof satisfactory to us, we will pay the Benefit Amount in respect of that Life Insured.

The maximum Benefit Amount available for a Life Insured is \$15,000. The Benefit Amount cannot be increased to more than \$15,000 for any Life Insured.

Cover under Funeral Insurance Essentials for a Life Insured ceases on the earliest of the following Policy events:

- your Policy being cancelled;
- the Benefit Amount being paid in full for the Life Insured;
- an amount being paid for that Life Insured in accordance with a refund of premiums because the Life Insured died within the first 12 months as a result of anything other than an Accidental Death; or
- the cancellation of all Adult Lives Insured on the Policy.

Accidental Death Extra

If a Life Insured is Covered for the Accidental Death Extra Benefit, it will be shown in the Policy Schedule. The Accidental Death Extra Benefit, if selected and shown on your Policy Schedule, is payable if the Life Insured dies as a result of an Accidental Death, or within six months of the physical injury leading to the Life Insured's death on proof satisfactory to us. The Accidental Death Extra Benefit for a Life Insured starts on the date that Policy Schedule is issued and stops at the earliest of:

- the cancellation of the Accidental Death Extra Benefit for that Life Insured;
- your Policy being cancelled;
- the Accidental Death Extra Benefit Amount being paid in full for that Life Insured;
- the cancellation of the Funeral Benefit for that Life Insured; or
- the Policy Anniversary following the Life Insured turning 89.

Accidental Injury Extra

If a Life Insured is Covered for the Accidental Injury Extra Benefit, it will be shown on the Policy Schedule. The Accidental Injury Extra Benefit is payable in the amount specified if the Life Insured suffers an Accidental Injury event as listed in this document, on proof satisfactory to us. The maximum cumulative Benefit Amount is \$50,000 for all Accidental Injury Extras paid for a Life Insured under the Policy, for example, you make a claim for a Life Insured's fractured hip and receive a payout of \$2,500. Your future claimable Benefit Amount is now \$47,500.

The Accidental Injury Extra Benefit for a Life Insured starts on the date the Policy Schedule is issued and stops at the earliest of:

- the cancellation of the Accidental Injury Extra Benefit for that Life Insured;
- the maximum cumulative Benefit of \$50,000 being paid in respect of that Life Insured;
- your Policy being cancelled;
- the death of the Life Insured;
- the cancellation of the Funeral Benefit for that Life Insured; or
- the Policy Anniversary following the Life Insured turning 89.

Only one Accidental Injury claim will be paid at a time. If the Life Insured suffers two or more injuries, as listed in this Policy, as a result of the same event, for any resulting claim, only the higher Benefit Amount will be paid.

Only one Accidental Injury claim is payable per event per year.

Lives Insured added after the Commencement Date will be subject to an Accidental Death Period of 12 months from the Issue Date of the Policy Schedule.

When does my Policy end?

As long as you keep your premiums up to date and pay when due, you'll continue to be Covered. Funeral Insurance Essentials has no specific end date.

Your Policy starts at the Policy Commencement Date and ends on the first to occur of:

- cancellation for non-payment of premiums for that Life Insured;
- the death of the last remaining Adult Life Insured under the Policy;
- the date we receive a written request from the Policy Owner to cancel the Policy altogether.

If you choose to add the Extra Accidental Death Cover or Extra Accidental Injury Cover to your Policy, please be aware that these additional extra benefits will only Cover you while premiums are up to date until the Policy Anniversary after you turn 89.

The premium you have to pay

The total first year's premium, or the first instalment of that premium, you have to pay is shown in your Policy Schedule.

Your premium will change when any of the following events occur:

- if your Benefit Amount is increased or decreased;
- if you add or remove a Life Insured from your Policy;
- if a Policy has more than one Adult Life Insured and Cover ends as a result of the death or the removal of one or more Adult Lives Insured, such that premiums remain payable only in respect of one Adult Life Insured.

How are the premiums calculated?

Premiums are calculated separately for each Life Insured and are based on age, gender, whether they smoke, and level of Cover. Once Covered, premiums will remain level and do not go up just because the Life Insured gets older.

If you miss a payment and your Cover lapses and you take out new Cover, your new Cover will be repriced based on your age at the time the new Cover commences. You'll continue to pay your premiums until the Policy Anniversary after you turn 89, and after that, your Cover continues for free. Over time, it is possible to pay more in premiums than the amount you are Covered for.

Changes to premium rates

We can change the premium rates applying to all Funeral Insurance Essentials Policies. If we do change them you will be given 30 days' notice of the change prior to it taking effect.

No individual Policy can be singled out for an increase in premium rates because of an adverse change in your health or circumstances, once the Cover has commenced.

When do you have to pay?

The premium is due at the frequency shown in the Policy Schedule. The specific dates for the coming year are also outlined in your Policy Schedule which will be sent out at each Policy Anniversary.

You can change the frequency of premium payments at any time. An updated Premium Schedule will be sent for your records.

If you are paying by direct debit or credit card, the premium will be deducted from the account that you have authorised us to debit, on the agreed date and frequency. Depending on weekends and public holidays, the deduction will be made on the next business day. If we are unable to debit on the agreed date due to insufficient funds we will, subject to the relevant debit authority, attempt to debit again.

Unpaid premium and premium dishonours

If you don't pay the premium when due, or the premium deduction from your account can't be made, then:

- if the unpaid premium is the first premium, the Policy will be cancelled and be treated as if it had not operated at all; or
- if the unpaid premium is a premium other than the first premium, we will allow 30 days from the due date to make this payment. If we have not received payment by this time, we will send you a notice telling you that we will cancel your Policy if the premium then due is not paid by the date shown in the notice. This date will be at least 28 days from the date of the giving of this notice. If you do not pay the premium by that date we will cancel the Policy and the insurance Cover stops.

No Benefits will be paid if the Policy is cancelled.

What happens if I stop paying?

Your Cover only continues while premiums are paid when due, so if you stop paying, your Cover will end. As Funeral Insurance Essentials is an insurance Policy, not a savings plan, it works in the same way as other insurance, such as car insurance. If you stop paying or cancel outside of the first 30 days, there will be no refund of any of the money you've paid in premiums.

Of course, we understand that today's financial demands can be tough, so if you're having trouble paying, please contact us immediately to talk it over. We may be able to provide an alternative that better suits your budget, whilst allowing you to help maintain the financial assistance your loved ones could receive if you were to pass away.

Are my premiums tax deductible?

Generally, the premiums paid will not be tax deductible nor will the Benefits be assessable for income tax purposes. The taxation information in this PDS is based on the continuation of present laws and their current interpretation and is a general statement only. For comprehensive advice regarding taxation please contact your registered accountant or the Australian Taxation Office.

Reinstatement

If this Policy lapses it may be reinstated at our sole discretion at any time within 3 months after the date that the unpaid amount became due, on such terms and conditions as we may require including, but not limited to, the following:

- outstanding premiums will need to be paid before a Policy can be reinstated;
- reinstatement is not guaranteed;
- reinstatement may be in the form of a new Policy, with a new Policy number and contract conditions.

Premium end date

Premium payments for the Funeral Benefit in respect of a Life Insured will cease at the Policy Anniversary after the Life Insured turns 89.

From this point, the Funeral Benefit will continue for free for the remaining life of the Life Insured.

Premiums for the Accidental Death Extra and/or Accidental Injury Extra Benefits are independent of the Funeral Benefit and are payable until the Policy Anniversary after the Life Insured turns 89, at which time, Cover under these Benefits ends.

Insuranceline direct debit service agreement

This Agreement is issued by TAL Life Limited. It sets out the conditions for using direct debit to pay your insurance premiums. Please keep this Agreement in a safe place for future reference.

How direct debit works

On the day your premiums are due, we send a request to your financial institution to debit the payment from your nominated account.

It usually takes between one to three days for the funds to be deducted — so make sure you keep enough money in your account during this time. If there are insufficient funds in your account to Cover your premium payment, your bank may charge you a dishonour fee, and your insurance Cover may lapse.

TAL Life Limited does not charge a dishonour fee for missed payments, but we may cancel your Cover if your premiums remain unpaid.

When we deduct your payments

Usually we'll deduct your payment on the day it is due. Here are the exceptions:

- **Weekends** — we'll deduct your payment the next business day, usually Monday.
- **National public holidays** (Christmas Day, Boxing Day, New Year's Day, Australia Day, Easter Friday, Easter Monday, and Anzac Day) — we'll deduct your payment the next business day.

For public holidays that do not apply in all States, we'll deduct your payment the day it's due.

Our promise to you

We promise to:

- Give you at least 14 days' written notice of changes to this Agreement.
- Keep your nominated account information confidential, except where conducting direct debits with your financial institution, or otherwise as required by law.

Your commitment to us

You agree that:

- You've given us the correct account details (please check a recent account statement to confirm).
- The account you've nominated allows direct debit payments.
- All account holders are party to this Agreement.
- Sufficient funds will be available on the due dates to Cover your direct debit payments.

How to make changes

To make a change to your direct debit arrangement, please contact us on 1300 880 750. Our Customer Care Team can help you with:

- Changing your nominated account details.
- Delaying, stopping or suspending any debits.
- Cancelling the Agreement completely.

We'll need at least two business days' notice before your next payment for these changes to take effect.

If you delay, suspend, stop or cancel your direct debit payment, you'll need to make alternative payment arrangements to ensure your insurance Cover can continue.

This Service Agreement is administered by Insuranceline on behalf of the product issuer TAL Life Limited under an agreement to provide administration services for Funeral Insurance Essentials policies.
