Why A Funeral Plan?

Your unexpected death would leave your family emotionally devastated. But how would it leave them financially? You wouldn't want to add to their pain by forcing them to worry about your funeral costs at such an emotionally stressful time.

At a time when they'll find it hard to cope with the daily routine of their lives, they could easily face funeral expenses of \$6,000 or more.

They may also need the money quickly – often before or on the day of the funeral – and although you may have other life insurance, this could take months to pay, sometimes longer.

Example Funeral Costs	
Funeral Director	\$843
Hearse	\$425
Casket	\$783
Memorial Book	\$115
Doctors Certificate	\$143
Flowers	\$145
Professional Fees	\$883
Burial Plot	\$3,233
TOTAL	\$6,570
Cremation	\$625

The Insuranceline Funeral Plan is the answer. It pays out fast when the money's needed – normally within 24 hours of our receiving all completed claim requirements.

A Funeral Plan also gives your family the freedom and flexibility to use the payout however they choose. They can use it to meet direct costs such as funeral and final medical expenses or to pay the many household bills that can pile up when someone dies unexpectedly.

Insuranceline's Funeral Plan provides 24 hours-a-day, 7 days-a-week, worldwide cover to a maximum of \$15,000 (plus any indexation) per Life Insured.

Insuranceline provides you with choices, so you can personalise a Funeral Plan to suit your needs:

Step 1. Choose your Level of Cover

You can choose the level of cover that you want from \$2,000 up to a maximum of \$15,000.

Step 2. Choose a Single or Family Plan

Whether you're single or have a partner and financially dependent children under 18 - there's a Funeral Plan for you!

Step 3. Choose Stepped or Level Premiums

Insuranceline understands that everyone's budget and life stage is different, which is why the Funeral Plan has been developed to give you options. Whether you're more comfortable with premiums which start lower and generally go up each year, or premiums which start higher but don't go up just because you get older - there's a Funeral Plan for you!

Option 1: Stepped Premiums

Your premium rate is calculated each year based on your **age at that time**:

- Premiums **start lower** than Level premiums
- Premiums **generally go up** each year as you get older

If you want peace of mind knowing that you are always paying a premium that is relevant to your age at that time, this option may suit you.

Premiums generally increase each year according to age and continue until age 90. See other ways premiums can increase on page 13.

Option 2: Level Premiums

Your premium rate is calculated based on your **age at the time of application**:

- Premiums **start higher** than Stepped premiums
- Premiums **don't go up** each year as you get older

If you want peace of mind knowing that your premiums won't be re-calculated each year just because you get older, this option may suit you.

Premiums and cover remain level and continue to age 90. See information on how premiums can increase on page 13.

To find out more about our premiums, call 1800 999 804 for a quote.

STEP 4. Choose to pay fortnightly or monthly

Whether you're paid fortnightly or monthly, you can line up your premiums with your pay-days for convenient billing. So no matter what – there's a Funeral Plan for you!

STEP 5. Choose an Accidental Death Period

Choose a 12 month or 24 month Accidental Death Period – pay a slightly lower premium by choosing the 24 month Accidental Death Period. Of course no matter which you choose, after the Accidental Death Period you're covered for any cause of death.

How can I take out a Funeral Plan?

If you're an Australian Resident aged 17 to 80 you can take out a Funeral Plan over the phone or request more information online. Just call 1800 999 804 between 8am and 6pm (AEST), Monday to Friday or go to insuranceline.com.au for more information.

Taking out a Funeral Plan is quick and easy, and you're guaranteed to be accepted in just a few minutes. You're covered on the spot for Accidental Death (other causes of death are not covered in the first 12 or 24 months, depending on the Accidental Death Period you choose).

If I change my mind, am I entitled to a refund?

We offer a full 30 day money back guarantee (cooling off period), giving you time to go over your Policy, and make sure it's the right one for you. There are no hidden catches – cancel your Policy within 30 days and you'll get a full refund.

If you do cancel your Policy after 30 days, you won't receive your money back. A Funeral Plan works just like your car and home insurance – it's not a savings plan and has no cash value.

Worldwide Cover

Cover is available under this Policy 24 hours a day and is not restricted by the geographical location of the Life Insured.

All correspondence from us to you will be mailed to an Australian postal address, even if you are residing in a country other than Australia.

How do my loved ones make a claim if they ever need to?

A Funeral Plan helps take the financial difficulty out of what can be a very stressful time. That's why, if your loved ones need to make a claim, we've kept the process as straightforward as possible:

Step 1.

Call us on 1800 999 804 and we will send a claim form or go to insuranceline.com.au to download one. The sooner a claim is made, the sooner your loved ones can receive the financial assistance they need.

Step 2.

Either you or your representative must complete the relevant form and return it, together with any requested documents we need to validate the claim. Depending on the claim, we'll let them know what we need when they call us. For example, we may request birth and death certificates or evidence from a Medical Practitioner.

Once we've received the completed claim information acceptable to us to determine that the claim should be paid, your loved ones will receive the money fast; we generally pay out a Funeral Plan within 24 hours of receiving completed claim requirements. Some Accidental Death claims will take longer to assess, but we'll make sure we keep them informed throughout the process.

Who receives the claim payout?

You can nominate one or more Beneficiaries over the age of 18 to receive the claim payout if you were to pass away. If you do not nominate a Beneficiary, the claim will be paid to the Policy Owner or the Policy Owner's estate.

Misstatement of age

Proof of age must be provided using a birth certificate, passport or drivers licence. If the age of the Life Insured has been understated on the application for this Policy, then the Benefit payable in respect of a Life Insured will be recalculated based on the Benefit that the premium would have purchased if the correct age had been provided. If the age of the Life Insured has been overstated we will refund any excess premium paid. Where the terms and conditions of a Benefit vary by the age of the Life Insured or the Insured Child, the correct age of the Life Insured or the Insured Child, if applicable, will be used to determine whether a Benefit is payable.

Accidental Death claims

For Accidental Death claims, we will require proof of the accidental nature of the death of the Life Insured for which the claim is being made, evidenced by a certified copy of the Death Certificate, Medical Attendant's Certificate or Coroner's report as required by us.

Fraudulent claims

We will refer any suspected fraudulent claims or illegal activity to the relevant law enforcement authorities and will, to the extent permissible by law, seek to recover any monies paid, expenses or damages incurred in obtaining such evidence as may be required to protect our rights. We are able to cancel your Policy and no claim will be payable if you make a fraudulent claim.

Guaranteed Acceptance – no medical tests

If you're a new Insuranceline customer aged 17 to 80 and a permanent Australian Resident, your application for cover will simply not be refused. So your cover can start immediately.

There are no medical exams, no blood tests and we don't even ask you to provide a medical history.

Payout in 24 hours

We pay out fast – normally within 24 hours of receiving your completed claim requirements.

Double payout for accidental death

Whatever your level of cover, the Funeral Plan pays out double if anyone covered dies as a result of an accident. That's up to \$30,000!

Cover for your whole family

For just a little bit more than a Single Plan, you can take out a Family Plan and cover your partner and all financially dependent children under 18. Plus you receive a 10% premium discount for other people added to your plan who are aged 80 and under.

Protection against inflation

Just like everything else, funeral costs are affected by inflation. So to help ensure your payout remains relevant as funeral costs go up, you can protect yourself against inflation.

With Inflation Protection your cover will increase each year by the change in the Consumer Price Index (CPI) or 5%, whichever is greater. As you'd expect, your premium will also increase.

For Stepped Premium policies, Inflation Protection is automatically included and stops when you turn age 90.

For Level Premium policies, Inflation Protection is optional and you can request it to be added to your plan. Inflation Protection for Level Premium policies stops at age 80.

100% refund for accidental death period

If within the Accidental Death Period you die of any cause other than Accidental Death, you won't receive your cover amount but we will refund 100% of your premiums paid.

30-day money back guarantee

You have 30 days to make sure you're 100% happy with the policy. If you're not, simply let us know and get a full refund!

If I cancel my policy, do I get anything back?

If you cancel within 30 days of your policy being issued you will get a refund of any premiums paid. The Funeral Plan is not a savings plan and has no residual cash value, so if you cancel after the first 30 days you will not get anything back.

If I increase my cover or add another person to the policy, how does the Accidental Death restriction work?

The 12 or 24 month Accidental Death Period applies to any new person added to your Policy, or to the amount of any increase in cover you've requested (your existing cover is not affected). After the applicable 12 or 24 months, you are covered for any cause of death.

What happens if I stop paying my premiums?

The cover provided by the Funeral Plan will cease. You will be informed when your cover has ended. It is important to let Insuranceline know immediately if you cannot pay a premium to help work out an alternative arrangement.

Will my premiums ever increase?

The underlying premium rates for both Stepped and Level premium options are not guaranteed, but you will never be singled out for a premium rate increase, and any increase will be applied to all policyholders using the same table of rates, with 30 days written notice.

- Stepped premiums generally increase annually according to age and unless otherwise requested, they also increase each year to allow for inflation.
- Level premiums remain level unless you have selected inflation protection (see page 12).
- For both premium options, additional premiums are charged if you add additional adult lives to your Policy or increase your cover.

Will I get a discount if I pay my premiums annually?

Yes, if you pay annually you will be paying the equivalent of 11 months' premiums.

Are my premiums tax deductible?

Generally, the premiums paid will not be tax deductible nor will the benefits be assessable for income tax purposes. The taxation information in this PDS is based on the continuation of present laws and their current interpretation and is a general statement only.

What is an Australian Resident?

Australian Resident means an Australian or New Zealand citizen or Australian permanent resident, currently residing in Australia who has received the PDS in Australia.

Why Insuranceline?

Insuranceline is Australia's number one life insurer for customer satisfaction*. Why? Because above all, we believe that all Australians have the right to be protected and that this peace of mind should not be a luxury, but an affordable part of everyday life.

*As ranked by new customers in the annual Roy Morgan Single Source Survey (October 2017).

Risks

There are risks involved with taking out insurance that you should be aware of. These include:

- our policies do not contain a savings or investment component, which means that if you cancel your Policy after the 30 day cooling off period, you will not receive any money back.

You should consider if the Policy meets your needs both now and in the future. You may need to seek assistance from a financial adviser to assist you to determine if the terms are consistent with your objectives, financial situation and needs.

Insuranceline offers an internal dispute resolution service in relation to any concerns you may have about your Policy, our services or your privacy. Insuranceline direct debit service agreement

This Agreement is issued by TAL Life Limited. It sets out the conditions for using direct debit to pay your insurance premiums. Please keep this Agreement in a safe place for future reference.

How direct debit works

On the day your premiums are due, we send a request to your financial institution to debit the payment from your nominated account.

It usually takes between one to three days for the funds to be deducted — so make sure you keep enough money in your account during this time. If there are insufficient funds in your account to Cover your premium payment, your bank may charge you a dishonour fee, and your insurance Cover may lapse.

TAL Life Limited does not charge a dishonour fee for missed payments, but we may cancel your Cover if your premiums remain unpaid.

When we deduct your payments

Usually we'll deduct your payment on the day it is due. Here are the exceptions:

- Weekends — we'll deduct your payment the next business day, usually Monday.
- National public holidays (Christmas Day, Boxing Day, New Year's Day, Australia Day, Easter Friday, Easter Monday, and Anzac Day) — we'll deduct your payment the next business day.

For public holidays that do not apply in all States, we'll deduct your payment the day it's due.

Our promise to you

We promise to:

- Give you at least 14 days' written notice of changes to this Agreement.
- Keep your nominated account information confidential, except where conducting direct debits with your financial institution, or otherwise as required by law.

Your commitment to us

You agree that:

- You've given us the correct account details (please check a recent account statement to confirm).
- The account you've nominated allows direct debit payments.
- All account holders are party to this Agreement.
- Sufficient funds will be available on the due dates to Cover your direct debit payments.

How to make changes

To make a change to your direct debit arrangement, please contact us on 1800 999 804. Our Customer Care Team can help you with:

- Changing your nominated account details.
- Delaying, stopping or suspending any debits.
- Cancelling the Agreement completely.

We'll need at least two business days' notice before your next payment for these changes to take effect.

If you delay, suspend, stop or cancel your direct debit payment, you'll need to make alternative payment arrangements to ensure your insurance Cover can continue.

This Service Agreement is administered by Insuranceline on behalf of the product issuer TAL Life Limited under an agreement to provide administration services for Funeral Insurance policies.

Where a representative arranges a policy for you over the telephone, that representative may in addition to their salary receive a commission from TAL. The amount of commission is dependent on a number of factors including the number of policies issued and the quality of the representative's conduct.

If we provide you with a financial service you are entitled to request details of this remuneration, and may do so by contacting us on the number specified in this FSG. There may be circumstances where additional commissions, bonuses and non-cash incentives are paid and these will accrue from time to time. These are not an additional cost to you.
